

## Delaware Broker Application - Open Market Energy LLC

### Exhibit D – List of States Applicant has withdrawn application

\*If the Applicant has withdrawn an application please provide a detailed explanation for the withdrawal for each state.

Delaware.

Open Market Energy LLC applied for licensure in Delaware on March 24, 2014 Docket Number 14-118. Several issues arose with our application, including from October 2009 to May 2010 Open Market Energy LLC was not in good standing in Maryland due to a failure to file property return. On February 16, 2015 Open Market Energy LLC received notice from the Deputy Attorney General, Julia Donoghue, informing Open Market Energy LLC of 2 options, either withdrawal application or don't withdrawal and be denied licensure in Delaware. Under advisement from the Delaware PSC, Open Market Energy LLC retained an attorney and withdrew our application on April 13<sup>th</sup> 2015. The PSC accepted the withdrawal from Open Market Energy LLC.
